

This module will lead your triad to consider history of your congregation and the presence of various historical influences in your children's programming. Begin your meeting with an extended time of prayer, considering the following categories.

- Love
 - Knowing the love of the Lord
 - Extending the love of Christ to others
 - Particular prayer for loving children and receiving the love of children well

- Insight and Wisdom
 - Knowing how to come alongside children in your community
 - Listening to and discerning well with the adults in the community
 - Asking for guidance from the Holy Spirit

- Action
 - Patience and courage regarding how to implement any potential changes
 - Partnership with the broader church community
 - Joy in collaboration and implementation of plans
