

Volunteer Recruitment and Assessment

Implementing your new vision will only be successful with a lay leadership team comprised of a sufficient number of members who understand and believe in the overall new vision and hold the skills to implement it within the congregation.

Fill out the following chart for each ministry area in your church, following the sample boxes. Use the outline as an overview for recruiting needs.

Ministry Area	Volunteer #/ Volunteer Total Need	Notes on Vision & Training	Notes on Skills
<i>Worship Service</i>	<i>15/18</i>	<i>½ teachers lead teachers went through training in the fall; due for comprehensive training workshop                      -some pushback from Dan &amp; Stephanie                      -Linda J., Julie, and Ashley are excited about the vision-good liaisons</i>	<i>-3 leaders are classroom teachers with good classroom presence                      -2 leaders interested specifically in ministry for children with special needs                      -Kyle and Dana from the worship team are interested in children and the arts. Is this the right ministry area?                      -Need leaders who can be present every-other week for relationship building                      -youth volunteers?</i>
